**COMPETITION.**

*Reservations Suggested*  
440.354.5000

*\*(excluding alcohol)*

The Ohio Envirothon is  
coming to Lake County  
June 14 - 15, 2010!

Lake Erie College in Painesville is Ohio Envirothon headquarters for 2010. Local planning is being led by Lake and Geauga Soil and Water Conservation Districts with assistance from Lake Metroparks. The Ohio Envirothon is sponsored by the Ohio Federation of Soil and Water Conservation Districts in cooperation with the ODNR.

## What is Envirothon?

The Envirothon is an outdoor, academic, natural resources competition that has proven to be an exciting, effective tool for incorporating environmental education into high school classrooms. Schools participate in teams, each consisting of 5 dedicated students, and are tested in 5 areas: aquatic ecology, forestry, wildlife, soils, and a current environmental issue. Working together, the students gain team building skills, knowledge of science, and appreciation for local natural resources. All told, approximately 400 hundred Ohio teams compete each year in Area envirothons, hoping to get to the showdown at the State Envirothon. Of these, only the top 20 teams compete for the state title and a chance to attend the Canon Envirothon, hosted by a different state or Canadian province each year.
