

## **Chardon High School Envirothon Team Red Places 1st at State Competition**

As the temperatures soared so did Chardon Red Team scores at the annual State Envirothon on June 11-12 at Ohio Christian University, Circleville, Ohio.

As always, the Chardon team demonstrated their knowledge and determination for excellence as twenty teams from throughout Ohio competed at the state level. The following Team members helped to bring Chardon to 1<sup>st</sup> place victory at the State Envirothon with the guidance of Marilyn Rohr, their Envirothon advisor: Red Team; Nicholas Schragal, Jason Tysol, Emily Munoz, Heather Humbert and Richard Wainio. The Red Team proudly received the highest scores at the Forestry, Aquatics and Soils Station. Congratulations to Chardon High School in their outstanding performance.

Chardon Red team will be representing Ohio as they compete at the National Conservation Foundation-Envirothon, North America's largest environmental competition, being held July 23-29, at Mount St. Mary's University, Emmitsburg, Maryland.

Geauga Soil and Water Conservation District would like to congratulate Chardon Red Team on their knowledge and dedication to become stewards of the land.

Thank you to Western Reserve RC & D and Dominion for the generous sponsorship to help defray travel costs for Chardon Red Team to compete at State.

For more information on how your school can get involved in the Envirothon Competition, call Katie Nainiger at the Geauga Soil and Water Conservation District at 440-834-1122.
